

Area Orientation Tours

Expat's ABCs of Easy-Living in Timișoara

Companies: use our practical orientation tours of Timișoara as an effective recruiting tool by offering a comprehensive approach to the impact of relocation for the potential candidate or transferee. Help them make an informed decision.

Individuals: whether you have just landed in Timișoara on your new international relocation assignment or are considering this destination, moving to a new country can be a daunting prospect.

Book an area orientation visit: tailored to help you get acquainted with the new community and take a confident first step in the relocation process. Find out about day-to-day life and prepare your family for what to expect. Topics covered during our tour may include:

Housing

Refine the parameters for finding a new home. Visit the best areas for renting a house or apartment.

Schools

Private vs. public schools with tuition in foreign languages.

Parking

Private and public parking places and payment systems.

Leisure & Going out

Opera, theatres, festivals, outdoor activities and fashionable venues. What to eat, drink and how to tip.

Shopping

Farmer's markets, shopping malls, yearly fairs, flea markets, living costs.

Medical assistance

The Romanian health care system, emergency rooms, private clinics.

Sightseeing

Main tourist sites, entrance tickets, museums, guided city tours and weekend outings.

Exercising

Gyms, swimming pools, dance classes, jogging and cycling.

Keep and open mind, learn a few Romanian words and have fun blending in!
