

When in Timișoara, indulge your inner oenophile: Walking Tour & Wine Tasting Experience

Discover Timișoara and taste the regional wines in the company of a local guide and a professional sommelier! Participate in a unique wine tour which allows you a glimpse of local life, history, culture and traditions of the region, while learning about the delectable wines in Banat and Transylvania.

Highlights: Tour Timișoara on foot with a local guide to see the most important landmarks in our town. The tour may take as many hours as you wish and then end in one of our chic wine bars located in the downtown. See below for a rough guide to a tour and wine tasting experience. *Wine tasting trips to the famous vineyards in Timis or Arad County are also available upon request for large groups.

“If Bacchus had a wine cellar in Banat, this would be it”

The Wine Bars At our local wine bars you may enjoy a tutored tasting session in the company of a professional sommelier: 5 white, rosé and red Romanian wines, water, bread and olive oil, and local matching cheese and cold cut appetizers. This wine tasting experience is perfectly suitable for a light lunch or dinner.

Booking: The wine tasting is available upon request, and, unless otherwise specified by the wine bar, it may take place daily. You can even book it as a separate activity from the city tour.

The wine tasting package includes:
5 local wines, water and appetizers - starting 35€ per person;
please ask for a noncommittal price quote as this may differ from bar to bar.*

*Valid for 2023. Amount to be paid directly to the wine bar.
