## **IT'S Super.... Timișoara Aerial City Tours!**

Sightseeing from an airplane has to be one of the cooler Timișoara travel experience, which allows you to have a birds-eye view beside, around, and below you. If you've never been on a private airplane before, Timișoara Aerial City Tours are a great way to check that item off your bucket-list. If you've already experienced our Walking City Tours, what better way to end a day than a flight high above the city (30 minutes) or above Timiș and Arad Counties (1h) on a leisure airplane? The 360 degree aerial panorama of Timișoara and the surroundings is brought to you by a Cessna 172N, a skilled pilot and a daring tour guide. Our friendly Cessna is a lightweight 4-seater airplane (3 + pilot), recognized as the most reliable leisure aircraft ever built. A 2000ft perspective of the town is the perfect combination to a walking city tour, which will guarantee you a perfect understanding of Timișoara while putting all the pieces together from above.

Hop aboard and enjoy a thrilling aerial sightseeing tour.
